**Care Package Party**  
**Monday, December 3 6:30-8 pm**  
 Potomac, Md

WDCSA's Parents Connection is starting a new tradition, spearheaded by Margaret Miller, '85, P'22! Join us for our inaugural final exam Care Package Party.

Prepare a box for your student and meet other Stanford parents. Please plan to bring items to share (pick one thing and bring multiples) for the packages such as pre-packaged snacks, individually wrapped baked goods (no nuts, please), granola bars, microwave popcorn, candy, school supplies, novelty items, etc. Items will be laid out on tables for each parent to select from as you create your care package(s).

You can also make a care package for your student's roommate or for an international student. We will provide flat rate 2-day boxes from the post office. You will go home with a box full of a variety of items ready to be shipped.

Closer to the event we will indicate the approximate number of boxes so you can plan accordingly on purchasing your items. Please let us know if you have any questions. See you in December!

**Washington DC Book Club Discussion**  
**Sunday, December 9 5-7:45 pm**  
Capitol Hill, DC

The book group will discuss *Warlight: A novel*, by Michael Ondaatje (Booker Prize Winner and author of *The English Patient*).

Just after WWII, teenage Nathaniel and his sister are seemingly abandoned in London by their parents, left in the care of a mysterious figure, The Moth, and his friends. The two wonder if The Moth is a criminal or merely eccentric. Years later, Nathaniel begins to untangle all that he didn't know and did not understand as he uncovers his mother's secret network.

To join the discussion and participate in the potluck dinner, RSVP to Ann Cowgill '82 at [ann.m.cowgill@gmail.com](mailto:ann.m.cowgill@gmail.com). Exact location details will be mailed out one week prior to the meeting.

**Baltimore Book Club Discussion**

Mother's Federal Hill Grille  
1113 S. Charles Street  
Baltimore, Md

The November selection is *The Lost City of the Monkey God* by Douglas Preston. This is an eyewitness account from the author, as part of an expedition to find a Pre-Columbian legendary settlement, first referenced by the Spanish Conquistadors, in the world's densest jungle, the Honduran rainforest, made possible with LiDAR technology. The January selection is *From Sand and Ash* by Amy Harmon.

- The Hoover Institution's David and Joan Traitel Building, which opened in September 2017, has been recognized for its unique and original interior architectural design.
